

ATBAS at the KarriereStart 2026

10. December 2025

We will be at KarriereStart in Dresden to give you an insight into **our ATBAS crew, what we work on – and why we enjoy it every day**. Above all, however, we want to talk to talented people who want to work in a company that remains open, uncomplicated and curious – and where your own ideas are welcome.

If you would like to get to know ATBAS, we cordially invite you to visit us directly at our stand. Our colleagues from Development, Support, HR & Co are looking forward to getting to know you, answering your questions and giving you an honest impression of what it's like to be part of our team.

When: January 23 – 25, 2026

Where: Hall 1, Stand C8 | MESSE DRESDEN | Messering 6, 01067 Dresden
